## *Greetings* from the Director

### **A Season to Celebrate!**

We are excited to announce our 20th Anniversary Season

for 2022 – 2023. It is hard for me to believe that twenty years have passed since I was watching my students perform on March 28, 2003 to celebrate the opening of the Ford Center. So many wonderful events have graced the main stage and studio theatre since that occasion. Just as they planned the first Gala, Sam and Mary Haskell have put together another stellar evening to celebrate our 20th year. Be sure to look at page 6 to view the exciting list of stars who will appear on Saturday, March 25, 2023!

We are back in full swing with a wide variety of shows that are sure to appeal to everyone. Our **Ford Series** offers classical and popular music with superb artists in every presentation. The **Broadway Series** features Disney at its best, the Queen of Soul, and a Gilbert & Sullivan operetta that appeared on Broadway and many know from the movie with Linda Ronstadt as Mabel. The **Artist Series**, selected by a committee of faculty and staff, includes one of our alums, comedian Jay

Jurden, a swashbuckling play, internationally known brass and string musicians, and the professional touring step show, Step Afrika!. I am proud to bring back the **Family Friendly** show, *Artrageous*, that delighted our audience in 2017. It is a unique and memorable arts experience for the whole family!

We are grateful for the support from Nancye B. Starnes and Joc and Leigh Anne Carpenter to fund the **Daytime School Series** for public school children. Early exposure to a live theatrical performance can change lives!

**THANK YOU** to Chancellor Emeritus Robert C. Khayat for his vision, and the Gertrude C. Ford Foundation for the means to bring this performing arts facility into existence. We are the beneficiaries of your extraordinary commitment to the arts!

It is a privilege and honor to serve as Director of the Ford Center. I work with a wonderful staff, supportive university administration, a fantastic Advisory Board, and have the opportunity to visit with our **Friends of the Ford Center** who give their time and treasure to the Ford Center. Thank you for helping the arts thrive in Oxford!

— Julia Aubrey

## Gertrude Castellow Ford

**W**ith an ever-inquisitive mind, Gertrude Castellow Ford fully embraced the arts. As a patron, an observer and a practitioner, Ford engaged in a lifelong exploration of all things of beauty and inspiration, and held true to classic traditions in the fine arts. She was an accomplished flutist, violinist and pianist as well as fluent in French, Latin and Spanish. Exceedingly well-read in poetry and classic literature, she was often at the center of spirited discussions about the merits of all manner of literary works and was not afraid to raise challenging concepts in literature, especially concerning the authorship of Shakespeare's plays. Always at the very foundation of her spirit was a great and sincere love of the arts and letters.

Raised in a generations-old tradition of philanthropy, Ford established the Gertrude C. Ford Foundation in Jackson with a generous gift in 1991. In 1998, the Ford Foundation awarded the University of Mississippi \$20 million to design and build the Gertrude C. Ford Center for the Performing Arts on the Oxford campus. This regal facility is a physical testament to Ford's lifelong dedication to the arts. Ford died in September 1996. She and her husband, Aaron Lane Ford, who was an Ackerman attorney and U.S. congressman representing what was Mississippi's 4th District, are buried in Cuthbert, a small town in southwest Georgia.
